Cleopatra Facial

I want something fully customized to me

DAO Facial Treat

Preparing your skin for any procedure

Mini Facial

01. DAO FACIAL TREAT

Our Customized Facial Treatment is tailored to your unique skin concerns. After a thorough skin assessment, our specialists select targeted techniques and products designed to address your specific needs—whether it's hydration, acne, sensitivity, dullness, or anti-aging. Every step is personalized to restore balance, improve skin texture, and leave your complexion refreshed, healthy, and radiant. A facial designed around you—targeting your skin's unique concerns with personalized care. Whether you need hydration, calming, or glow-boosting, this treatment adapts to what your skin needs most.

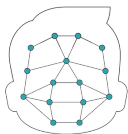

5,000 EGP

02. MAMA GLOW FACIAL

A gentle, pregnancy-safe treatment created to honor your skin during this special journey. The Mama Glow Facial soothes sensitivity, deeply hydrates, and restores radiance using only safe, nurturing ingredients. With calming massage and glow-boosting botanicals, it replenishes tired skin, eases stress, and leaves you with a fresh, luminous complexion. Perfect for expectant and new mothers, this facial celebrates the glow that comes from within.

2,500 EGP

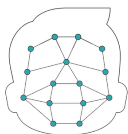

- ✓ Pregnancy-Safe
- ✓ Restorative
- ✓ Comforting
- ✓ Luminous

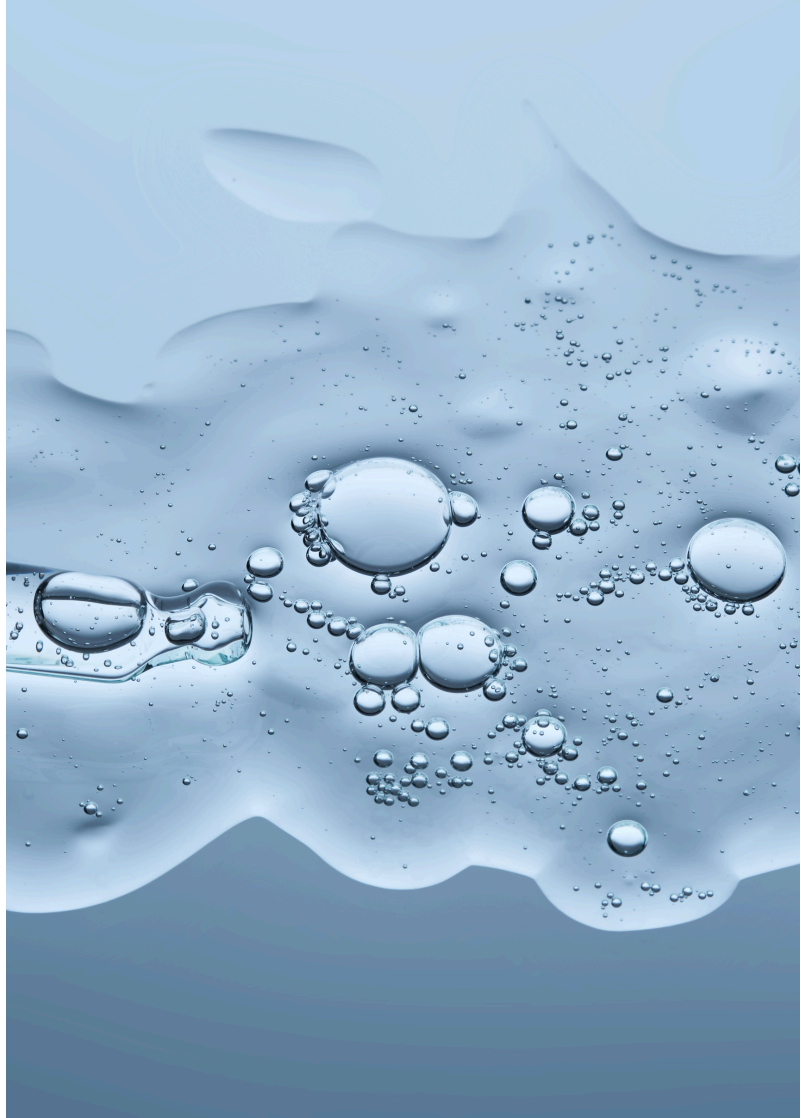

03. THE HYDRASOOTHIE FACIAL

A deeply hydrating and calming treatment designed to quench thirsty skin, repair the barrier, and relieve tightness or dryness. Using soothing serums, replenishing actives, and gentle massage techniques, it leaves the complexion plump, soft, and radiant with a healthy glow. Perfect for skin in need of moisture and comfort.

3,000 EGP

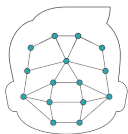

- ✓ Hydrating
- ✓ Calming
- ✓ Restorative
- ✓ Dry/Sensitive Skin Suitable

04. THE SKIN RESET FACIAL

Specially tailored for moderate to severe acne, this results-driven treatment helps clear breakouts, reduce inflammation, and prevent future flare-ups. It includes a customized peel (Dr. Glow signature, enzyme, or light chemical exfoliation), professional extractions, LED blue light therapy, and calming care to restore balance and clarity to the skin.

4,000 EGP

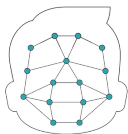

- ✓ Clarifying
- ✓ Healing
- ✓ Balancing
- ✓ Acne-prone Skin Suitable

05. THE ANTI-AGING FACIAL

An advanced treatment designed to target fine lines, sagging, and dullness. This facial combines collagen-boosting massage, peptide-rich serums, a lifting mask, and optional microcurrent therapy to firm, smooth, and revitalize the skin. The result is a youthful, radiant complexion with restored elasticity and glow.

4,000 EGP

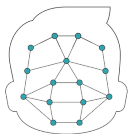

- ✓ Firming
- ✓ Anti-Aging
- ✓ Collagen Renewal
- ✓ All Skin Types Suitable

06. THE CLEOPATRA FACIAL

A luxurious treatment designed to deeply nourish and restore radiance. This facial combines gentle enzyme exfoliation, glow-boosting serums, LED light therapy, and a collagen mask to revitalize the skin. Perfect for brides-to-be or anyone preparing for a special event, it leaves the complexion luminous, smooth, and picture-perfect.

4,000 EGP

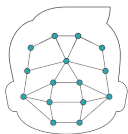

- ✓ Radiance
- ✓ Nourishment
- ✓ Express Luxury & Glow
- ✓ All Skin Types Suitable

07. MINI FACIAL

A refreshing quick, mini Hydrafacial designed to cleanse and hydrate your skin in preparation for any procedure. This treatment includes deep cleansing, nourishing serums, and intense hydration to leave your complexion feeling rejuvenated and glowing. Perfect for anyone getting ready for a skincare procedure, it ensures your skin is clean, refreshed, and perfectly prepped.

1,750 EGP

- ✓ Hydrating
- ✓ Cleansing
- ✓ Prep for any procedure
- ✓ 15-20 mins

Facial Treatments

At DAO, our facials awaken tired complexions with the science of beauty and the art of care.

Using advanced devices and techniques—oxygen infusions, vitamin-rich cocktails, and radiance-boosting serums—we restore clarity, hydration, and luminosity to your skin.

01. HYDRAFACIAL

A results-driven treatment that cleanses, extracts, and hydrates in one seamless step. The HydraFacial uses vortex technology to deeply purify the skin, remove impurities, and infuse it with powerful antioxidants, peptides, and hyaluronic acid. Gentle yet effective, it improves skin texture, reduces congestion, and delivers an instant glow without downtime. Ideal for those seeking clear, hydrated, and refreshed skin, this treatment leaves the complexion smooth, radiant, and renewed.

4,000 EGP

- ✓ Deep Cleansing & Exfoliation
- ✓ Hydration & Antioxidant Infusion
- ✓ Instant Glow with No Downtime
- ✓ Suitable for All Skin Types

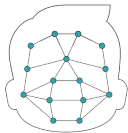

02. OXYGENEO

A cutting-edge 3-in-1 treatment that oxygenates, exfoliates, and nourishes the skin from within. OxyGeneo™ harnesses natural oxygenation to gently remove dead skin cells, infuse revitalizing active ingredients, and stimulate oxygen-rich blood flow to the surface. The result is brighter, plumper, and more hydrated skin with improved texture and tone. Perfect before events or as a regular glow-boosting ritual, it delivers visible results from the very first session.

2,500 EGP

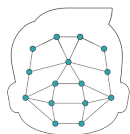

- ✓ Natural Oxygenation & Exfoliation
- ✓ Infusion of Active Ingredients
- ✓ Brighter, Plumper, Hydrated Skin
- ✓ Immediate Results, All Skin Types

03. AQUAPURE

A multi-step hydro-facial treatment designed to purify, hydrate, and rejuvenate the skin. AquaPure combines gentle vacuum technology with nutrient-rich solutions to deeply cleanse pores, remove impurities, and infuse the skin with vitamins and hyaluronic acid. By enhancing circulation and stimulating collagen, it improves elasticity and leaves the skin soft, smooth, and glowing. Safe, non-invasive, and customizable, it is the perfect treatment for anyone seeking refreshed, radiant skin.

3,000 EGP

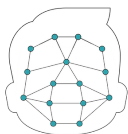

- ✓ Deep Cleansing & Pore Purification
- ✓ Hydration with Vitamins & HA
- ✓ Improved Elasticity & Smoothness
- ✓ Safe, Customizable, All Skin Types

04. DERMAPEN

A regenerative treatment that stimulates the skin's natural healing process to restore youth and vitality. Dermapen microneedling creates micro-channels that trigger collagen and elastin production, improving skin texture, reducing scars, and minimizing fine lines and enlarged pores. With tailored serums infused during treatment, it enhances absorption and boosts results, leaving the complexion firmer, smoother, and more radiant.

2,200 EGP

- ✓ Collagen & Elastin Stimulation
- ✓ Scar & Fine Line Reduction
- ✓ Smoother Texture & Refined Pores
- ✓ Enhanced Serum Absorption

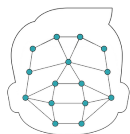

05. CRYOFACIAL

A revitalizing Cryofacial that uses cold therapy to deeply cleanse and tighten your skin. This treatment helps to reduce puffiness, boost circulation, and promote collagen production, leaving your complexion refreshed and radiant. Ideal for anyone preparing for a procedure, it preps the skin by enhancing its natural glow and firmness. Perfect for a rejuvenating pick-me-up before a big event or treatment!

4,200 EGP

- ✓ Reduces puffiness and inflammation
- ✓ Enhances circulation
- ✓ Tightens and tones the skin
- ✓ Improves skin elasticity
